PLEASE READ THE FOLLOWING TERMS OF USE BEFORE USING MyMeds (OUR 'APP'). BY UTILIZING OUR APP, YOU AGREE TO BE BOUND BY THE CURRENT VERSION OF OUR TERMS OF USE AND PRIVACY POLICY.

Consent to the Terms of Use

This End-User License Agreement ("EULA") constitutes an agreement between you and MyMeds (herein referred to as the "Owner") with regard to the MyMeds application for Mobile Phones (herein referred to as "App" or "Product"). By installing the App, you are agreeing to be bound by the terms of this license agreement.

We ask that you review and abide by these Terms and Conditions, our Privacy Policy, and any other terms and conditions that may appear on the Site from time to time. Your use of the Service constitutes your agreement to these Terms and Conditions, and we reserve the right to revise these Terms and Conditions at any time without notice to you.

1. By using our app you consent that MyMeds is not a medical application and does not provide any medical advice. Only licensed medical specialists can give you information about your health and prescriptions. MyMeds only provides an easy way to track your medication courses.

1. LICENSE. The App is licensed, not sold. The Owner grants you a non-exclusive, non-transferable, non-sublicensable, limited right and license to use one copy of the App for your personal non-commercial use on a single device. The rights granted herein are subject to your compliance with this EULA. The App is being licensed to you and you hereby acknowledge that no title or ownership in the App is being transferred or assigned and this EULA is not to be construed as a sale of any rights in the App.

2. RESTRICTIONS OF USE. Unless the Owner has authorized you to distribute the App, you shall not make or distribute copies of the App or transfer the App from one device to another. You shall not decompile, reverse engineer, disassemble, include in other software, or translate the App, or use the App for any commercial purposes. You shall not modify, alter, change or

otherwise make any modification to the App or create derivative works based upon the App. You shall not rent, lease, resell, sub-license, assign, distribute or otherwise transfer the App or this license. Any attempt to do so shall be void and of no effect.

3. COPYRIGHT. You acknowledge that no title to the intellectual property in the App is transferred to you. You further acknowledge that title and full ownership rights to the App will remain the exclusive property of MyMeds , and you will not acquire any rights to the App. You shall not remove or obscure the Owner's copyright, trademark or other proprietary notices from any of the materials contained in this package or downloaded together with the App.

4. DISCLAIMER OF WARRANTY. The App is provided "AS IS", without warranty of any kind. We disclaim and make no express or implied warranties and specifically disclaim the warranties of merchantability, fitness for a particular purpose and non-infringement of third-party rights. The entire risk as to the quality and performance of the App is with you. We do not warrant that the functions contained in the App will meet your requirements or that the operation of the App will be error-free.

5. LIMITATION OF LIABILITY. In no event will the Owner be liable for special, incidental or consequential damages resulting from possession, access, use or malfunction of the App, including but not limited to damages to property, loss of goodwill, computer or mobile device malfunction and, to the extent permitted by law, damages for personal injuries, property damage, lost profits or punitive damages from any causes of action arising out of or related to this EULA or the App, whether arising in tort (including negligence), contract, strict liability or otherwise and whether or not the Owner has been advised of the possibility of such damages.

Because some states/countries do not allow certain limitations of liability, this limitation of liability shall apply to the fullest extent permitted by law in the applicable jurisdiction. This limitation of liability shall not be applied solely to the extent that any specific provision of this limitation of liability is prohibited by any federal, state, or municipal law, which cannot be pre-empted. This EULA gives you specific legal rights, and you may have other rights that vary from jurisdiction to jurisdiction. In no event shall the Owner's liability for all damages (except as required by applicable law) exceed the actual price paid by you for use of the App.

6. PRIVACY AND ADVERTISING. You can find our Privacy Policy on our website or in our application. It is advised that you read them entirely.

7. INDEMNITY. You agree to indemnify, defend and hold the Owner harmless from and against any and all damages, losses, and expenses arising directly or indirectly from: (i) your acts and

omissions to act in using the App pursuant to the terms of the EULA; or (ii) your breach of this EULA.
